INFORMATION DISCLOSURE STATEMENT

Enclosed is the International Search Report (2 pages) from the European Patent Office as the international searching authority from the present international application listing 3 references and their relevant portions.

In the International Search Report all the references are listed in category X meaning each document is of particular relevance; the claimed invention cannot be considered novel or can not be considered to involve an inventive step when the document is taken alone with respect to the listed claim. The International Search Report is also in English and points out relevance of the references so no further relevance is necessary to be pointed out.

Since the International Search Report is in English and the relevant portions of these references are pointed out there in English, no further pointing out of relevance is needed.
